AMENDED JOINT CHAPTER 11 PLAN OF REORGANIZATION

I.

INTRODUCTION

This document is the Amended Chapter 11 Plan (“Plan”)^{3/} proposed by Jaga, Inc. (“JAGA”); International Society for Krishna Consciousness New Mathura Vrindaban (“ISKCON NMV”); NRS, Inc. (“NRS”); International Society for Krishna Consciousness of West Virginia, Inc. (“ISKCON WV”); New Vrindaban Community, Incorporated (“NVC”); and Cathedral of Healing, Inc. (“COH, INC.”) and collectively with ISKCON NMV, NRS, ISKCON WV and NVC, the “West Virginia Debtors” or the “Plan Proponents”), and is dated as of January 14, 2005.

Reference is made to the Joint Disclosure Statement Describing Original Joint Chapter 11 Plan of Reorganization (“Disclosure Statement”), a copy of which is included in the same envelope as this Plan, for a discussion of each of the West Virginia Debtors’ history, business, financial affairs, properties, and a summary and analysis of the Joint Plan. All Creditors are encouraged to read the Disclosure Statement thoroughly before voting to accept or reject this Plan. No solicitation materials other than the Disclosure Statement and related materials being transmitted with this Plan have been authorized by the Bankruptcy Court for use in soliciting acceptances or rejections of this Plan.

² *In addition to JAGA, Inc., the other debtors are International Society for Krishna Consciousness New Mathura Vrindaban; NRS, Inc.; International Society for Krishna Consciousness of West Virginia, Inc.; New Vrindaban Community, Incorporated; and Cathedral of Healing, Inc.*

³ *While a single document known as the Plan is being filed for the West Virginia Debtors, this Plan constitutes the plan of reorganization for each of the West Virginia Debtors.*

This is a reorganizing plan. In other words, the Plan Proponents seek to discharge and satisfy creditors' Claims^{4/} by providing for payments under the Plan and to continue in existence and in possession of their property. The source of payments under this Plan will be donations, revenue from religious and related activities, contributions by third parties and insurance proceeds, if any, recovered from various insurance carriers in connection with Tort Claims. By and through the Plans, the Plan Proponents propose to resolve all claims against the West Virginia Debtors' estates, including all Tort Claims, in a streamlined and cost effective manner that will provide for the largest distribution possible to Holders of Allowed Claims. As described more fully below, the Plans provide for the resolution and treatment of all Tort Claims through common trusts established jointly with the California Debtors.

II.

CLASSIFICATION AND TREATMENT OF CLAIMS AND INTERESTS

A. General Overview.

As required by the Bankruptcy Code, this Plan classifies Claims and Interests in various Classes according to their right to priority of payments as provided in the Bankruptcy Code. This Plan states whether each Class of Claims or Interests is impaired or unimpaired. This Plan provides the treatment each Class will receive under this Plan.

B. Unclassified Claims.

Certain types of Claims are not placed into voting Classes; instead they are unclassified. They are not considered impaired and they do not vote on this Plan because they are automatically entitled to specific treatment provided for them in the Bankruptcy Code. As such, the Proponent has not placed the following Claims in a Class. The treatment of these Claims is provided below.

1. Administrative Expenses.

Administrative Expenses are Claims for costs or expenses of administering the Debtor's Chapter 11 Case which are entitled to priority under Code Section 507(a)(1). The Code requires that all Allowed Administrative Claims be paid on the Effective Date of the Plan, unless a particular Claimant agrees to a different treatment.

The following charts list all of the West Virginia Debtors' § 507(a)(1) administrative claims and their treatment:

3. Classes Of General Unsecured Claims.

General Unsecured Claims are Claims which are not secured or entitled to priority under Code Section 507(a). The following chart identifies this Plan's treatment of the classes containing all of the West Virginia Debtors' general Unsecured Claims:

<u>CLASS #</u>	<u>DESCRIPTION</u>	<u>IMPAIRED</u>	<u>TREATMENT</u>
3	<u>Tort Claimants Convenience Class.</u> Class 3 consists of Allowed Tort Claims that have been objected to for lack of documentary support and (a) the Claimant has failed to provide documentary support by the date on which a response to such objection is due, but (b) the Debtors have verified that the Claim is based on actual attendance at one of the Gurukuli schools.	Impaired	<p>Allowed Claims in Class 3 shall be eligible to receive up to \$2,000 as follows:</p> <p>(1) Each Allowed Class 3 Claim shall receive a Cash payment of \$1,000 from Trust I on or as soon as practicable after the Effective Date, in full and complete satisfaction of their Claims.</p> <p>(2) Each Allowed Class 3 Claim shall receive a Cash payment of \$1,000 from Trust II on or as soon as practicable after the Effective Date provided that the Claimant executes and delivers the Release. The executed Release must be submitted with the Ballot in order for a Claimant to receive a distribution from Trust II. While an untimely Ballot will not be counted for purposes of Confirmation, Ballots and Releases received after the Ballot Date but before distributions under the Plan are completed will qualify for distribution from Trust II.</p> <p>If a Tort Claimant fails to provide prima facie support for his/her proof of Claim in response to an objection to such claim or a written request for such information by the Ballot Date, Claimant shall be deemed to be in Class 3 for voting purposes. A Tort Claimant is in Class 3 for distribution purposes upon entry of a Court order: (a) disallowing the Claim for all purposes other than treatment as a Class 3 Claim, (b) estimating the Claim at \$2,000 or less, or (c) deeming such Claim to be a Class 3 Claim.</p> <p>As Tort Claimants asserting Claims against any of the Debtors shall be sharing the same settlement funds and many of the Tort Claimants have filed proofs of claim in multiple Debtors' cases, each Tort Claimant shall be entitled to only a single distribution from Trust I and Trust II (if a Trust II election is made) in satisfaction of his or her Allowed Tort Claim. A Tort Claimant that has filed a proof of claim in each of the Debtors' cases shall not be entitled to twelve (12) Allowed Claims.</p>
4	<u>Tort Claimants Opt-In Class.</u> This Class consists of Allowed Tort Claims as to which (a) the Debtors are able to verify that such Claim is based on actual attendance at one of the Gurukuli schools; (b) based on the Debtors' minimal review of the Claim it appears that the Claim is a bona fide Claim and the Debtors have not taken action to object to the Claim on grounds that it lacks support or is not a	Impaired	<p>Allowed Class 4 Claims shall be eligible to receive, in full and complete satisfaction of their Claims:</p> <p>(1) From Trust I, a Cash payment in full satisfaction of their Allowed Claims, payable 90 days after the Effective Date or as soon thereafter as practicable, an equal share of \$250,000, not to exceed \$5,000 per Claimant.</p> <p>(2) Provided that such Claimant executes and delivers the Release, a Cash payment, payable 90 days after the Effective Date or as soon thereafter as practicable, an</p>

4. Class(es) Of Interest Holders.

Interest Holders are the parties who hold ownership interest (i.e., equity interest) in the debtor. If the debtor is a corporation, entities holding preferred or common stock in the debtor are interest holders. If the debtor is a partnership, the interest holders include both general and limited partners. If the debtor is an individual, the debtor is the interest holder. As the West Virginia Debtors are a non-profit religious organizations, the West Virginia Debtors do not have any interest holders.

D. Means Of Performing The Plan.

1. Funding For The Plan.

Trust I and Trust II will be established on or as soon as practicable after the Effective Date to make distributions to Holders of Class 3, 4, 5, 5A, 6 and 7 Claims. Trust III will be established on or as soon as practicable after the Effective Date to fund distributions to holders of Class 5A Claims entitled thereto as more specifically described in the treatment of Class 5A Claims. The Holders of Allowed Claims in Classes entitled to distribution from a Trust shall be the beneficiaries of

such Trust, and on the Effective Date shall have no claims against, or recourse to, the Debtors. Except as provided above, the West Virginia Debtors will directly make all other distributions to be made directly by them under each of their Plans, except for professional fees to the extent such fees are paid from the Professional Fee Account. The Plans will be funded by the following:

a. Donations. The Debtors shall solicit donations specifically for Trust I. The Debtors will also coordinate with Non-Debtor Defendant Participants and Non-Debtor Interested Parties to facilitate contributions to fund Trust II.

b. Initial Funding.

1. On the Effective Date, the Debtors shall deposit into Trust I the sum of \$500,000 from proceeds of settlement of Alter Ego Claims, contributed by the Non-Debtor Defendant Participants and Non-Debtor Interested Parties;

2. On the Effective Date, the Debtors shall deposit, or cause to be deposited, into Trust II the sum of \$500,000 contributed by the Non-Debtor Defendant Participants and Non-Debtor Interested Parties;

3. On the Effective Date, the Debtors shall deposit, or cause to be deposited, into the Professional Fee Account an amount necessary to satisfy all unpaid accrued and estimated professional fees of the Debtors in full; and

4. On the Effective Date, there shall be on deposit in each of the Debtors' general accounts sufficient funds to satisfy any and all payments required to be made under the Plans of each of the Debtors on, or as of, the Effective Date other than for professional fees or payments to the Tort Claimants.

c. Alter Ego Claims/Third Party Contribution. The Plans shall settle any and all Alter Ego Claims that may exist for \$1,000,000.

d. Contributions From Non-Debtor Interested Parties. Funds resulting from contributions made by Non-Debtor Interested Parties, other than in connection with Alter Ego Claims, shall be placed in Trust II for distribution only to those Claimants in Classes 3, 4, 5, 5A, 6 and 7 electing such a distribution in exchange for executing the Release, subject to rights of Trust I.

e. Insurance Action Proceeds/Insurance Proceeds. Insurance Action Proceeds and Insurance Proceeds shall be placed into Trust I and Trust III, as more specifically provided herein.

f. Other Funds. Funds from Rights of Action, 50% of the recovery from BBTI's action against Coudert Brothers for malpractice, if any (less any and all amounts which the Coudert Brothers are entitled to receive as distribution pursuant to the Plans), shall be placed in Trust I to the extent such funds exceed the funds necessary for the Debtors holding such claims to satisfy Administrative Claims and Priority Claims under their respective Plans.

g. Business and Operations. Funds from the operation of each of the Debtors' businesses, after payment of ongoing operating costs including appropriate reserves, may be used to fund Trust I to the extent that such funds are not necessary for religious purposes, operating expenses or to make distributions under such Debtor's Plan to satisfy Claims other than Tort Claims.

2. Trust I.

Trust I will be a trust established by the Reorganized Debtors. Trust I will be funded by: (1) Contributions from the Debtors, Non-Debtor Defendant Participants or Non-Debtor Interested Parties, in the amount of \$2,000,000; (2) to the extent necessary, contribution from Trust II in an amount which, together with the aforesaid \$2,000,000, will equal the sum of (a) the combined Liquidation Value of the Liquidation Value Entities, and (b) the aggregate amount of the fees and costs charged by the Reorganization Trustee; (3) thirty-five percent (35%) of any Insurance Proceeds; (4) thirty-five percent (35%) of Insurance Action Proceeds remaining after any reimbursement to Trust I of any amounts expended by Trust I in the Insurance Carrier Action; (5) \$1,000,000 from the settlement of Alter Ego Claims; and (6) proceeds from other Rights of Action (remaining after payment of Administrative and Priority Claims, to the extent such proceeds are used to pay such Claims). The \$3,000,000 Trust I Minimum Fund, including the aforesaid \$2,000,000 in contributions and the \$1,000,000 in

proceeds of settlements of the Alter Ego Claims, will be funded from (a) the initial Cash of \$500,000, and (b) donations funded from the Effective Date through December 31, 2011, and backed by a conditional note for \$2,500,000, executed by, and enforceable against, the Debtors only on default (and after any applicable notice period pursuant to the Plans and Trust agreements) to Trust I. The Reorganization Trustee Fees with respect to administration of Trust I will be paid from funds of Trust I.

3. Trust II.

Trust II shall be funded by contributions from Non-Debtor Interested Parties and Non-Debtor Defendant Participants. Trust II shall only fund distributions to those Tort Claimants executing and delivering the Release and electing to release the Non-Debtor Interested Parties and Non-Debtor Defendant Participants on the Ballot subject to the contingent right of contribution from Trust II to Trust I. Trust II will be a trust established by the Debtors and managed by the Reorganization Trustee and funded by contributions from Non-Debtor Defendant Interested Parties and Non-Debtor Defendant Participants in the amount of \$6,500,000 by December 31, 2011 (plus any applicable grace period).

Trust II will be funded in the total amount of \$6,500,000 from (a) the initial Cash of \$500,000, and (b) an additional \$6,000,000 from donations funded from the Effective Date through December 31, 2011 (plus any applicable notice period). \$4,000,000 will be guaranteed by one or more entities pursuant to non-recourse guaranties enforceable only against real property collateral specifically granted as security, having a fair market value as of the Effective Date of at least \$4,000,000. The first \$2,000,000 of Trust II distributions shall also be backed by a conditional note for \$2,000,000, executed by, and enforceable against, the Debtors only on default (and after any applicable notice period pursuant to the Plans and Trust Agreements). Once \$2,000,000 has been deposited into Trust II, this conditional note shall be deemed satisfied. The Reorganization Trustee Fees with respect to administration of Trust II will be paid from funds of Trust II.

4. Trust III

Trust III will be a trust established by ISKCON CA, ISKCON SoCal and ISKCON San Diego. Sixty-five percent (65%) of Insurance Proceeds and sixty-five percent (65%) of Insurance Action Proceeds remaining after any reimbursement to Trust I of any amounts expended by Trust I in the Insurance Carrier Action shall be deposited in Trust III. The Reorganization Trustee may take appropriate action to cause the Insurance Action Proceeds and Insurance Proceeds to be deposited into Trust III to the extent provided under the Plans. In the event that there are no Class 5A Claimants, then to the extent proceeds are held in Trust III, such unused proceeds will be distributed to Trust I. The Reorganization Trustee Fees with respect to administration of Trust III will be paid from funds of Trust III.

5. Post-Confirmation Management.

Post-Confirmation Management shall be identical to the management in place prior to and during each of the West Virginia Debtors' Bankruptcy Case, and may be changed from time to time pursuant to the West Virginia Debtors' usual procedures.

6. Disbursing Agent.

NMV shall act as the Disbursing Agent for the purpose of making all distributions to be made directly by it under the West Virginia Debtors' Plans. NMV shall serve without bond and shall receive no compensation for distribution services rendered and expenses incurred pursuant to the Plans. The Reorganization Trustee shall act as Disbursing Agent for purposes of making all distributions by the Trusts. All funds used to make distributions under the Plans including, but not limited to, the funds in the Trusts shall be maintained in segregated interest-bearing accounts.

7. Litigation.

The Reorganized Debtors shall pursue Rights of Action, the Insurance Carrier Action (subject to the funding provisions of the Plans), any and all preference actions and fraudulent transfer actions that may exist, claims litigation and estimation, the malpractice claim against Coudert Brothers for the benefit of each of the Debtors' Estates, and, to the extent necessary, the Court Actions for purposes of liquidating the claims of the Plaintiff Tort Claimants. Except as otherwise provided in this Plan, the Debtors may settle such actions following the Effective Date without further notice or hearing. The Insurance Carrier Action may be settled by the Debtors only after 14 days written notice to the Plaintiff Tort Claimants, provided that the Debtors do not receive a written objection to such settlement. In the event the Plaintiff Tort Claimants serve a written objection within 14 days of such notice then the Debtors may consummate such settlement with Court

approval after a hearing on not less than 24 days notice (inclusive of the 14 days specified above). The Court shall apply the general standards for approving a compromise by a Debtor-in-Possession or Trustee.

Notwithstanding the foregoing, once (a) the Debtors have expended the \$500,000 limit on funding of the Insurance Carrier Action, (b) have made the full Insurance Loan, (c) Trust I has paid \$100,000 of fees and costs in pursuit of the Insurance Carrier Action from the proceeds of Trust I, and (d) the Plaintiff Tort Claimants have elected to and commenced funding the Insurance Carrier Action, then the Plaintiff Tort Claimants shall have the right to settle the Insurance Carrier Action after 14 days written notice to the Debtors and the Reorganization Trustee, provided that the Plaintiff Tort Claimants do not receive a written objection to such settlement. In the event the Debtors or Reorganization Trustee serve a written objection within 14 days of such notice, the Plaintiff Tort Claimants may settle with Court approval after a hearing on not less than 24 days notice (inclusive of the 14 days specified above). The Court shall apply the general standards for approving a compromise by a Trustee.

8. Post-Confirmation Business Operations.

The Debtors have the right to continue each of their business operations post-petition.

9. Claims Determination

The fees and costs for litigation and estimation of Claims shall be funded by the Debtors, Non-Debtor Defendant Participants and Non-Debtor Interested Parties, and no funds of the Trusts shall be used for such purpose.

10. Trust Default Rights Respecting Class 5 Claimants

The Trusts will be funded following the Effective Date in the manner prescribed by the Plans and shall make distributions to Tort Claimants as set forth in the Plans. The Debtors will execute and deliver to the Reorganization Trustee two conditional notes in the aggregate face amount of up to \$4,500,000 (the actual maximum amount payable under the Note to be \$4,500,000 less the distributive share of that amount to which Class 5A Claimants are entitled from Trust I and Trust II), without interest. The conditional note for Trust I may be enforced against the Debtors by the Reorganization Trustee only in the event that Trust I does not receive aggregate total contributions equal to the Trust I Minimum Fund by December 31, 2011. The conditional note for Trust II may be enforced against the Debtors by the Reorganization Trustee only in the event that Trust II does not receive aggregate total contributions of at least \$2,000,000 by December 31, 2011. The Debtors and Reorganized Debtors shall be given written notice of any such default and shall have 90 days grace period from receipt of written notice to cure any defaults. Thereafter, the Reorganization Trustee shall give the Debtors and Reorganized Debtors an additional 30 days written notice of such defaults, and no default remedies may be exercised until the expiration of the 30 days from receipt of such notice provided the Debtors fail to cure said default.

The Class 5 distributive share of the \$4,000,000 balance of contributions due to Trust II (such distributive share being the \$4,000,000 less the portion of that amount to which Class 5A Claimants are entitled) shall be secured by one or more parcels of real property, owned by one or more non-debtor entities, pursuant to a standard deed of trust (collectively "Trust II Trust Deed"), whereby Trust II shall hold the beneficial interest. The Reorganization Trustee may enforce Trust II's rights under the Trust II Trust Deed only in the event that the sum of \$6,000,000 (as adjusted by Class 5A entitlement) (excluding the \$500,000 initial Cash deposit on the Effective Date) has not been paid by December 31, 2011. In such event, the Reorganization Trustee shall provide 90 days written notice of such default (specifying the unpaid balance) to (a) the Debtors, (b) the Reorganized Debtors and (c) each of the title holders of the collateral and the non-recourse guarantors. If the unpaid balance (without interest) is not delivered to Trust II by the first Business Day following the 90th day of delivery of such written notice, the Reorganization Trustee shall provide an additional 30 days written notice to the same parties. If the default is not cured within such additional 30 day period, the Reorganization Trustee may proceed to foreclosure on the collateral pursuant to the terms of the Trust II Trust Deed and applicable non-bankruptcy law. Trust II's only right shall be to foreclose on the collateral. There shall be no recourse against anyone, including without limitation, the non-recourse guarantors, Debtors, Reorganized Debtors, Non-Debtor Interested Parties or Non-Debtor Defendant Participants for the unpaid balance due to Trust II or any deficiency whatsoever. To the extent that one or more parcels constituting collateral are also covered by the Trust II Trust Deed, the lien of the Trust II Trust Deed shall be subordinate to the lien covering Trust II PTC Collateral and rights thereof.

11. Class 5A Special Provisions/Trust Default Rights Class 5A Claimants.

a. Trust I

After the Effective Date and as soon thereafter as practicable, the Debtors will execute and deliver to the Reorganization Trustee a separate conditional note in the face amount equal to the aggregate amount to which the Class 5A beneficiaries of Trust I are entitled to receive from Trust I ("Trust I PTC Note"). The Debtors will maintain an aggregate collateral value equal to the balance due under the Trust I PTC Note, plus 10%.

The only events of default under the Trust I PTC Note shall be failure of Trust I to receive deposits in an amount sufficient to make the portion of the Class 5A Minimum Distribution payable from the Trust I Minimum Fund. The Debtors and Reorganized Debtors shall be given written notice of such default and shall have 60 days grace period from receipt of written notice to cure any defaults. Thereafter, the Reorganization Trustee shall give the Debtors and Reorganized Debtors an additional 30 days written notice of such defaults, and no default remedies may be exercised until the expiration of the 30 days from receipt of such notice provided the Debtors fail to cure said default, including payment of any late fees.

b. Trust II

After the Effective Date and as soon thereafter as practicable, the Debtors will execute and deliver to the Reorganization Trustee a separate conditional note in the face amount equal to the aggregate amount to which the Class 5A beneficiaries of Trust II are entitled to receive from the first \$2,000,000 of contributions to Trust II ("Trust II PTC Note"). The only event of default under the Trust II PTC Note shall be failure of the Trust to receive deposits in an amount sufficient to make the portion of the Class 5A Minimum Distribution payable from the first \$2 Million of Trust II deposits to which they are entitled from the first \$2 million of contributions into Trust II. On the Effective Date or as soon thereafter as practicable, Trust II shall receive one or more conditional, non-recourse guaranties by Non-Debtors ("Trust II PTC Guaranty"), collateralized by a first priority security interest in one or more parcels of real property owned by Non-Debtors ("Trust II PTC Collateral"). The Trust II PTC Collateral held by Trust II for the benefit of the Class 5A Claimants shall have an aggregate value equal to the balance of the Class 5A distributive share payable from Trust II, such balance being the aggregate amount to which the Class 5A beneficiaries of Trust II are entitled to receive from Trust II other than from the first \$2,000,000 in Trust II contributions, plus 10% of such balance. The Reorganization Trustee may enforce Trust II's rights under the Trust II PTC Guaranty and Trust II PTC Collateral only in the event of failure of Trust II to receive deposits in an amount sufficient to make the portion of the Class 5A Minimum Distribution payable from the last \$4,000,000 of Trust II deposits. In such event the Reorganization Trustee shall provide 60 days written notice of such default (specifying the amount of any deficiency) to (a) the Debtors, (b) the Reorganized Debtors and (c) each of the title holders of the Trust II PTC Collateral and guarantors under the Trust II PTC Guaranty. If an amount sufficient to make up any deficiency (without interest) is not delivered to Trust II by the first Business Day following the 60th day of delivery of such written notice, the Reorganization Trustee shall provide an additional 30 days written notice to the same parties. If the default is not cured within such additional 30 day period, including payment of any late fees, the Reorganization Trustee may proceed to foreclose on the Trust II PTC Collateral pursuant to the terms of the Trust II PTC Guaranty and applicable non-bankruptcy law.

The Trust II PTC Collateral shall be released by the Reorganization Trustee as the aggregate amount to which Class 5A Claimants are entitled is reduced, so long as the value of the remaining Trust II PTC Collateral is equal to or greater than the balance of the Class 5A distributive share payable from Trust II, plus 10%.

c. Maintenance of Collateral Value

In addition, in the event of sale or destruction of the Debtors' real estate assets with the result that the aggregate equity remaining in all of the Debtors' property (including, without limitation, cash, real and personal property and intangibles) falls below the unpaid balances due under Trust I PTC Note and Trust II PTC Note plus 10% of such remaining balances, then the Reorganization Trustee may provide the Debtors and Reorganized Debtors 60 days notice of default, provided that included with such notice is an appraisal of the remaining assets demonstrating the foregoing. Thereafter, the Debtors may (a) dispute the appraisal and provide their own appraisal, (b) pay down the Trust I PTC Note or Trust II PTC Note so that they are equal to the Debtors' aggregate equity value; or (c) provide one or more conditional notes from entities who have equity in their assets so that when combined with the Debtors' equity in their assets, the aggregate equity is not less than the balances due under the Trust I PTC Note and Trust II PTC Note, plus 10%. In the event the Debtors fail to do one of (a), (b) or (c) above, the Reorganization Trustee may give an additional 30 days written notice of default in which case the Debtors shall have an additional 30 days to accomplish (a), (b) and (c). Thereafter, if Debtors' failure continues, Trust I may pursue all of its rights under the Trust I PTC Note.

In the event that there is a dispute over the valuations, the decision shall be turned over to the Special Master who shall have 30 days to render his decision which decision shall be binding and non-reviewable. Thereafter, the Debtors shall have an additional 30 days to accomplish (a), (b) or (c) above.

In the event of destruction of the Trust II PTC Collateral so that the aggregate equity in the Non-Debtors aggregate equity in all of the Trust II PTC Collateral falls below the unpaid balance due under Trust II PTC Note plus 10% of such remaining balance, then the Reorganization Trustee may provide the Debtors and Reorganized Debtor 60 days notice of default, provided that included with such notice is an appraisal of the remaining assets demonstrating the foregoing. Thereafter, the Debtors may (a) dispute the appraisal and provide their own appraisal, (b) pay down the Trust II PTC Collateral so that it is equal to the aggregate equity value in the Trust II PTC Collateral; or (c) provide additional collateral from Non-Debtor entities who have equity in their assets so that when combined with the Trust II PTC Collateral, the aggregate equity is not less than the balance due under the Trust II PTC Note, plus 10%. In the event the Debtors fail to do one of (a), (b) or (c) above, the Reorganization Trustee may give an additional 30 days written notice of default in which case the Debtors shall have an additional 30 days to accomplish (a), (b) and (c). Thereafter, Trust II may pursue all of its rights under the Trust I PTC Note.

In the event that there is a dispute over the valuations, the decision shall be turned over to the Special Master who shall have 30 days to render his decision which decision shall be binding and non-reviewable. Thereafter, the Debtors shall have an additional 30 days to accomplish (a), (b) or (c) above, and if not cured, Trust II may pursue its rights in the Trust II PTC Collateral.

12. Merging of the West Virginia Debtors

On the Effective Date, NRS, JAGA, NVC, ISKCON WV, and COH, INC. (“Merging Entities”) shall merge into Reorganized ISKCON NMV which is a West Virginia religious organization and an I.R.C. § 501(c)(3) corporation without the need for any further corporate action, consent or approval. As a result of the merger, all of the assets and liabilities of the Merging Entities shall be transferred into and assumed by Reorganized ISKCON NMV. Pursuant to § 1146(c) of the Bankruptcy Code, the issuance, transfer or exchange of notes or equity securities under the Plans, the creation of any mortgage, deed of trust or other security interest, the making or assignment of any lease or sublease, or the making or delivery of any deed or other instrument of transfer under, in furtherance of, or in connection with the Plans, including, without limitation, any merger agreements or agreements of consolidation, deeds, bills of sale or assignments executed in connection with any of the transactions contemplated under the Plan, shall not be subject to any stamp, real estate transfer, mortgage recording or other similar tax.

13. Tort Claim Determination Procedures

a. *The Debtors may file an objection to any Tort Claim, including, but not limited to, an objection on the grounds that the statute of limitations has run, except as expressly provided elsewhere in this Plan. Any objections to Tort Claims must be filed within 180 days following the Effective Date, except as to Tort Claims which are then the subject of a pending motion or order to estimate Claims for purposes of allowance. Notwithstanding any provision of the Bankruptcy Code or Rules or anything herein to the contrary, the Debtors shall have the exclusive right to object to Claims. However, if the Class 5 or 5A Claimants wish to object to a particular Tort Claim, such Class 5 or 5A Claimants shall notify the Debtors in writing at least 120 days prior to expiration of the applicable objection period for objection to such Claim, and such written notification shall identify the Tort Claim which they wish the Debtors to object to, and state with specificity the basis for such objection based upon an agreed to criteria. A basis for objection will not be the location of the injury or the location of the Claimants’ residence. In the event the Debtors fail to file an objection within 90 days from the date it receives written notification from a Class 5 or 5A Claimant of its desire to object to a particular Tort Claim, the decision of whether the objection fits within the agreed objection criteria shall be decided by majority vote of a panel appointed pursuant to the Plan, with each member having one vote, consisting of (a) one representative appointed by the Debtors; (b) one representative appointed by Class 5A; and (c) the Special Master.*

b. *Prior to the Confirmation Date, any Tort Claim may be estimated for purposes of voting as the Court may order on motion of the Debtors. To the extent that applicable insurance policies require, the motion to estimate Claims for voting purposes may be served on such Insurance Carriers. Any order determining such Tort Claim for purposes of voting shall not result in the waiver or limitation of the Debtors’ right to coverage under any applicable insurance policies, and the Insurance Carrier shall be precluded from denying coverage or indemnification, excusing performance, or asserting breach of contract, on the basis of any order, stipulation, settlement or any other adjudication respecting such motion estimating claims, notwithstanding any applicable provision of any of the applicable insurance policies. Nor shall such order, stipulation, settlement or any other adjudication be used to establish insurance coverage for such claims.*

c. *Settling Tort Claimants may accept the amount of their Claims determined based on the Claims Matrix for purposes of receiving distributions from the Trusts. In the event a Tort Claimant elects to be a Settling Tort Claimant but objects to the proposed amount, such Claimant must provide to the Special Master in writing within sixty (60) days following the Effective Date facts and any supporting evidence to demonstrate that such Claimant’s entitlement to a greater amount than proposed. The Special Master will consider the written submission in accordance with the provisions of the Claims Matrix. Thereafter, the Special Master shall evaluate, liquidate and allow or disallow the amount of the Claim of each Settling Tort Claimant based on the criteria set forth on the Claims Matrix. The Special Master will assign the matrix points which he deems appropriate based on the Claims Matrix, increasing or decreasing the points as assigned by the Claims Matrix. In no event, however, will the Special Master be able to increase the total points of (i) any Non-Plaintiff Tort Claimant to more than 100 points; and (ii) any Plaintiff Tort Claimant to more than 125 points. All distributions to the Holders of Allowed Tort Claims will be in full satisfaction of such Allowed Tort Claims. A Settling Tort Claimant whose Claim is disallowed by the Special Master will receive no distribution under the Plan and will have no further claims against the Debtors, Reorganized Debtors, Non-Debtor Defendant Participants, Non-Debtor Interested Parties or any Settling*

Insurer. Once a Tort Claimant makes its election on the Ballot to be a Settling Tort Claimant such election is (a) binding, final and may not be revoked, reconsidered or appealed, and (b) such Claimant's Claim will be Allowed or disallowed as determined by Debtors or by the Special Master pursuant to the Claims Matrix.

d. After the Confirmation Date, any Class 5 or Class 5A Tort Claim which is not a Settling Tort Claim may be estimated for purposes of allowance and distribution as the Court may order on motion of the Debtors or Reorganized Debtors. To the extent that applicable insurance policies require, a motion for estimation of Tort Claims for purposes of allowance and distribution shall be served on the applicable Insurance Carriers, who shall be entitled to participate in proceedings on such motion if they wish to do so. The Tort Claim Determination Procedure shall not in any way result in a waiver or limitation of the Debtors' right to coverage under any applicable insurance policies and the Insurance Carriers shall be precluded from denying coverage, excusing their performance or asserting breach of contract as a result of the Tort Claim Determination Procedure. Nor shall such procedure be used to establish insurance coverage for such claims. In the event estimation is denied as to any Claim, the Debtors may file an objection to such Claim within 120 days of entry of the order denying estimation. Once a Tort Claim has been estimated and allowed for purposes of distribution at a fixed amount, a Claimant will receive distribution, or distribution shall be reserved, based on such fixed amount, as if such Claim was an Allowed Claim subject to any further order upon motion under Bankruptcy Code § 502(j) to reconsider the fixed amount allowed. Unless the Tort Claimant elects to pursue litigation of its Claim by filing and serving on the Debtors notice of such election no later than 120 days of the entry of an order estimating such Tort Claim for distribution purposes, such order shall be given effect as if it had been entered based on an objection to such Tort Claim and after full opportunity for hearing on such objection. If notice of election to pursue litigation of such Tort Claim is filed and served as provided herein the Debtor shall file its objection to the Tort Claim within 180 days of service of such election. If such an election is made as provided herein, then until such Tort Claim is finally Allowed: (a) such Tort Claim shall not receive any distribution; and (b) such Tort Claim shall be reserved in the amount estimated.

e. Any Tort Claimant whose Tort Claim has not been Allowed or estimated for purposes of allowance, or who files and serves an election to pursue litigation of such Tort Claim as provided herein, may (with the consent of the Insurance Carriers to the extent such consent is required under the applicable insurance policy) elect to resolve its Tort Claim (i) before the Bankruptcy Court; (ii) before the District Court; (iii) by an arbitration panel located in the district where such Debtors' Case is pending ("Arbitration Panel"); or (iv) in such other court that the Court orders, including, but not limited to, the state or federal court for the district in which the Texas Court Action is pending. Such election must be made on or before the earlier of the deadline for responding to an objection to such Tort Claim, or 120 days after entry of an order granting the motion to estimate such Tort Claim for purposes of allowance and distribution. In default of any election and consent thereto, the objection to any such Claim shall initially be heard in the District Court or such other court that the Court orders.

f. For purposes of calculating distributions to be made under this Plan to Holders of Class 5 and Class 5A Tort Claims, the Disbursing Agent shall compute the aggregate amount of Allowed Class 5 and Class 5A Claims as if all estimated Class 5 and Class 5A Claims were to be allowed in the amount estimated (reserving, as provided above, the pro rata share of any Holder whose Claim has been estimated but who has elected to pursue litigation, until such time as the Allowed amount of such estimated Claims is determined by Final Order). If an estimated Class 5 Claim as to which the Holder has elected to pursue litigation is finally Allowed, (a) amounts previously reserved for such Claim shall be released; (b) such Allowed Claim shall participate in future distributions based on the Allowed amount of such Claim; and (c) the Disbursing Agent shall compute the aggregate amount of Allowed Class 5 and Class 5A Claims based on the Allowed amount of such Claim for purposes of all future distributions.

g. There shall be no right of appeal from an arbitration award, unless there is a showing by the Claimant that: (a) the award was procured by corruption, fraud or other undue means; (b) there was corruption in any of the judges or arbitrator; (c) the rights of the Claimant were substantially prejudiced by misconduct of the judge or neutral arbitrator; or, (d) the arbitrator or judge making the award failed to disclose within the time required for disclosure a ground for disqualification of which the arbitrator or judge was then aware.

h. *After the Effective Date, the Debtors or Reorganized Debtors may stipulate to treat any Tort Claim as an Allowed Claim without further notice or opportunity for hearing so long as the Allowed Claim does not exceed 100 points on the Claims Matrix, and any such allowance shall be conclusive for purposes of distribution from the Trusts. Any such stipulation and allowance of such Tort Claim for distribution purposes shall not in any way waive or eliminate the Debtor's right to coverage under any applicable insurance policies and the Insurance Carriers shall be precluded from denying coverage excusing their performance or asserting breach of contract as a result of such stipulation. Nor shall such stipulation be used to establish insurance coverage for such claim.*

i. *After the Effective Date, for purposes of establishing insurance coverage for any Resolved Claims, the Debtors may (a) modify the stay to permit the Texas Court Action to proceed against the Insured Debtors, or (b) request that the District Court determine any Resolved Claim for purposes of establishing insurance coverage. Any Holder of a Resolved Claim not represented by counsel may elect to be represented by a legal representative appointed pursuant to the Plan on a 40% contingency fee arrangement for purposes of pursuing litigation of their Tort Claims for insurance purposes.*

j. *After the Effective Date, any Tort Claim which is not a Resolved Claim may pursue resolution of its Claim pursuant to Paragraph e above. Any judgment obtained pursuant to claims litigation (a) shall determine the Allowed Amount of such Tort Claim for purposes of distribution under the Plan; (b) may be pursued against an Insurance Carrier which is not a Settling Insurer, subject to the provisions of the Plan requiring the deposit of Insurance Proceeds in the Trusts; and (c) may not be enforced against the Debtors, Non-Debtor Defendant Participants or Non-Debtor Interested Parties.*

k. *All Insurance Proceeds, as specifically defined in this Plan, shall be payable to the Insured Debtors and held pending a determination whether total covered Claims exceed total potential Insurance Proceeds. The order confirming this Plan shall provide that the Insurance Carriers shall pay all Insurance Proceeds to the Insured Debtors for distribution as provided herein. If the total of covered Claims, inclusive of any reimbursement rights of the Insured Debtors, does not exceed the total Insurance Proceeds, then Insurance Proceeds shall be distributed to Holders of covered Claims, including the Insured Debtors on account of their reimbursement claims. If, however, the aggregate judgments for covered Claims exceed the aggregate remaining indemnity coverage of Insurance Carriers which are not Settling Insurers, then all Insurance Proceeds shall be deposited into Trust I and Trust III pursuant to the Plans for distribution in the manner provided therein.*

l. *Any Holder of a Resolved Claim also may elect to join the Texas Court Action or amend its Claim to adopt the allegations set forth in the Texas Court Action. Notwithstanding the foregoing, any Judgment obtained in the Texas Court Action or pursuant to Claims litigation by the Holder of a Resolved Claim: (a) subject to the provisions of the Plan requiring the deposit of Insurance Proceeds in the Trusts, may be pursued against an Insurance Carrier which is not a Settling Insurer; (b) may not be enforced against the Debtors, Non-Debtor Defendant Participants or Non-Debtor Interested Parties; and (c) will not affect the Holder's Allowed Tort Claim for purposes of distribution from the Trusts pursuant to the Claims Matrix.*

m. *Allowance of a Tort Claim for purposes of the Plans will not affect or determine the amount of such Claim for purposes of coverage or payment under any insurance policy issued by an Insurance Carrier.*

n. *Any Settling Insurer will obtain the benefit of an injunction against prosecution of Claims against the Settling Insurer by any Creditor or other party-in-interest, including Tort Claimants. The terms of any settlement with a Settling Insurer, if not previously approved by the Bankruptcy Court pursuant to Bankruptcy Rule 9019, will be approved at the Confirmation Hearing and pursuant to the Confirmation Order. Any settlement reached with a Settling Insurer after the Effective Date will be submitted for approval by the Bankruptcy Court pursuant to its retained jurisdiction.*

14. Claims Matrix-Compensation Methodology for Chapter 11 Tort Claimants.

Tort Claims of Settling Tort Claimants will be resolved based on the Claims Matrix as set forth below. The Debtors will also use the Claims Matrix for estimation of Tort Claims which are not Settling Claims. The Claims Matrix is used to evaluate Claims based on points to determine the Claims Matrix Score. Each point shall be equal to \$250,000 of Allowed Claim. Each \$250,000 of an Allowed Claim in favor of any Tort Claim that is not a Resolved Claim shall be converted to one point for purposes of distributions under the Plan.

The Claims Matrix involves the application of various factors as set forth below. The Proof of Claim of each Tort Claimant has been evaluated by the Debtors. Each Tort Claim Holder will be notified of its Claims Matrix Score prior to the deadline for submitting Ballots. The maximum Claims Matrix Score is 100 points, except as to Class 5A Claims deemed to be Settling Tort Claimants which may receive a maximum of 125 points.

Compensable Incident: Incident giving rise to any alleged Tort Claim.

Characterization Factors: Those items which will be considered in determining the amount of points compensation paid to a Holder of a Tort Claim for a compensable incident. Three general factors will be considered and evaluated: (1) nature of abuse; (2) severity of abuse; and, (3) length of time of abuse.

Nature of Abuse Factor

1. *Emotional abuse (E): An assault which has an emotional or psychological effect; excludes physical and sexual abuse by definition. This category subsumes all Claims regarding the quality of education provided.*
2. *Physical abuse (P): A non-sexual battery; includes emotional abuse by definition.*
3. *Sexual abuse (S): Sexual battery; includes both physical and emotional abuse by definition.*

Severity Factor

1. *Tier 1 - Slight: minor incidents or injury. Small number, amount or effect. E1, P1 or S1.*
2. *Tier 2 - Substantial: serious incidents or injury. Medium number, amount or effect. E2, P2 or S2.*
3. *Tier 3 - Severe: extreme incidents or injury. Large number, amount or effect. E3, P3 or S3.*

Severity Enhancement

The most extreme cases of emotional abuse (E3), physical abuse (P3) or sexual abuse (S3) may receive an increase of up to 10 points.

Time Factor

One point added for each year of school attendance, up to a maximum of fifteen points. Years are calculated by adding the number of full years (12 months) plus one year for any additional month of attendance up to the next full year. Example: 10 months = one year, one point; 4 years and 7 months = 5 years, five points.

Class 5A Enhancement

For Holders of Class 5A Claims, add 25% of total points to which such Claimant is otherwise entitled.

Matrix Interpretation:

1. *One resolution per claimant, regardless of the number, amount or timing of incidents.*
2. *Flexible interpretation upward; but consistently applied to all Claimants.*

<i>Severity Factor</i>		<i>Base Points</i>
		<i>Non Cumulative</i>
<i>Emotion Abuse (E) AB</i>		
	<i>E1</i>	<i>5 points</i>
	<i>E2</i>	<i>10 points</i>
	<i>E3</i>	<i>15 points</i>
<i>Physical Abuse (P)</i>		
	<i>P1</i>	<i>20 points</i>
	<i>P2</i>	<i>30 points</i>
	<i>P3</i>	<i>40 points</i>
<i>Sexual Abuse (S)</i>		
	<i>S1</i>	<i>45 points</i>
	<i>S2</i>	<i>60 points</i>
	<i>S3</i>	<i>75 points</i>
		<i>Then Add:</i>
<i>Severity Enhancement</i>	<i>Add up to 10 points for extreme abuse E3, P3 or S3 cases</i>	<i>Up to 10 points</i>
<i>Time Factor</i>	<i>Add 1 point per year of attendance Up to 15 years</i>	<i>Up to 15 points</i>
<i>Class 5A Enhancement</i>	<i>Add 25% of total points to the score to which such Claimant is otherwise entitled</i>	

Notes:

1. *Severity characterized as: (1) Slight; (2) Substantial; or, (3) Severe.*
2. *Severity Enhancement: up to ten (10) points may be added to the most extreme cases (E3), (P3) or (S3).*
3. *Time Factor: one (1) point added per year of attendance, up to 15 points maximum. Years are calculated by adding the number of full years plus one year for any additional portion of time claimant attended an ISKCON school.*

Examples: 10 months = 1 year (1 point); 4 years and 7 months = 5 years (5 points).
4. *Class 5A Claimant Enhancement: add 25% of points to Class 5A Claimant's score.*

15. Treatment of Punitive Damages

Claims for punitive or exemplary damages in connection with the Tort Claims are disallowed and shall not be Allowed Claims. If necessary, punitive or exemplary damage Claims shall be deemed to be separately classified and shall receive no distribution, and shall not be entitled to vote on the Plans.

16. Insurance Carrier Action Funding

The Debtors will contribute \$500,000 (less the amount of fees and costs approved and paid pursuant to the August 2004 fee application order) to fees and expenses of the Insurance Carrier Action incurred from and after August 1, 2004. Thereafter, the Reorganization Trustee may elect to pay the fees and costs of the Insurance Carrier Action from the proceeds of Trust I up to a maximum amount of \$100,000. To the extent such fees and costs are paid from Trust I, Trust I shall be entitled to reimbursement of such amounts from the next Insurance Action Proceeds remaining after repayment of the Insurance Loan. Once the Reorganization Trustee has expended the \$100,000 from the proceeds of Trust I, the Plaintiff Tort Claimants may elect to pay the fees and costs thereof from their own funds, subject to a right of reimbursement from Insurance Action Proceeds junior to prior rights to reimbursement.

The Reorganized Debtors will make the Insurance Loan to Trust I up to \$250,000 for purposes of pursuing the Insurance Carrier Action. The Insurance Loan will be repaid from the first Insurance Action Proceeds with priority over all other disbursements of Insurance Action Proceeds. To the extent the Debtors have expended by the Effective Date in excess of \$500,000 referred to above, the excess will be deemed part of the Insurance Loan.

V.

EFFECT OF CONFIRMATION OF PLAN

A. Discharge.

Except as otherwise provided in the Plan or in the Confirmation Order, Confirmation shall operate as a discharge pursuant to Code Section 1141(d)(1), effective as of the Effective Date, of any and all Claims and debts of the West Virginia Debtors that arose at any time before Confirmation, including but not limited to all Tort Claims and all principal and interest, whether accrued before, on or after the Petition Date. As to every discharged debt and Claim, the Creditor that held such debt or Claim shall be precluded from asserting against the West Virginia Debtors or against the West Virginia Debtors' assets or the Reorganized ISKCON NMV or any assets of the Reorganized Debtors, any or further Claim based upon any document, instrument or act, omission, transaction or any other activity of any kind or nature that occurred prior to the Confirmation Date, including, without limitation, Claims in the nature of successor liability. Without limiting the generality of the foregoing, on the Effective Date the West Virginia Debtors shall be discharged from any debt that arose before Confirmation and any debt of the kind specified in Sections 502(g), 502(h) or 502(i) of the Code to the full extent permitted by Section 1141(d)(1)(A) of the Code. Furthermore, all Claims and debts against the West Virginia Debtors which are so discharged may not be asserted against the Reorganized ISKCON NMV or the Trusts under any circumstances unless pursuant to the provisions of the Plan.

B. Injunction.

The Order of Confirmation shall operate as an injunction against the commencement or continuation of any action relating to the collection or enforcement of any Claim, including without limitation Tort Claims, or rights governed by the discharge provisions hereof ("Discharged Claim"), including, but not limited to, the Court Actions and actions based on Alter Ego Claims, against the Debtors, the Reorganized Debtors, the Non-Debtor Defendant Participants and the Non-Debtor Interested Parties, and shall direct the parties to the Court Actions to take any and all actions necessary to dismiss such actions with prejudice; provided that, the Texas Court Action may be maintained for the limited purposes consistent with the Tort Claims Determination Procedures set forth at Article III, Section D.13 of the Plan. The Confirmation Order shall provide, among other things, that except as otherwise provided in the Plan, all Persons who have held, hold or may hold Claims (including, without limitation, Tort Claims) against or Interests in the Debtors, the Non-Debtor Defendant Participants and the Non-Debtor Interested Parties are enjoined from and after the Effective Date from: (i) commencing or continuing in any manner any action or proceeding of any kind with respect to such Discharged Claim or Alter Ego Claim against the Debtors, the Reorganized Debtors, the Non-Debtor Defendant Participants or the Non-Debtor Interested Parties; (ii) enforcing, attaching, collecting or recovering by any manner or means any judgment, award, decree or order against the Debtors, the Reorganized Debtors, the Non-Debtor Defendant Participants or the Non-Debtor Interested Parties with respect to any such Discharged Claim or Alter Ego Claim; (iii) creating, perfecting or enforcing any encumbrance of any kind against the Debtors, the Reorganized Debtors, the Non-Debtor Defendant Participants or the Non-Debtor Interested Parties with respect to any such Discharged Claim or Alter Ego Claim; and (iv) asserting any right of setoff, subrogation, or recoupment of any kind against any obligation due the Debtors, the Reorganized Debtors, the Non-Debtor Defendant Participants or the Non-Debtor Interested Parties with respect to any such Discharged Claim or Alter Ego Claim.

C. Releases.

Except for the obligations of the Debtors under the Plans, including any notes or other obligations to the Trusts given in connection with funding the Plans, the Debtors, Non-Debtor Defendant Participants, Non-Debtor Interested Parties and Settling Insurers, and their respective affiliates and their respective present and former directors, officers, employees, agents, representatives, financial advisors, predecessors, successors, officials, shareholders, subsidiaries, divisions, affiliates, representatives, merged or acquired companies or operators or assigns, attorneys and accountants

(collectively, the “Debtor Released Parties”) shall be released as of the Effective Date from any and all claims, including, without limitation, Tort Claims, or liabilities (including claims by the Debtors), obligations, rights and causes of action which any Holder of a claim against or Interest in the Debtors may be entitled to assert, whether known or unknown, foreseen and unforeseen, existing or hereafter arising, based in whole or in part upon any act or omission, transaction or other occurrence taking place on or before the Effective Date in any way relating to the Debtors, the Alter Ego Claims, the Case, the Court Actions or the Plans, including, without limitation, any claims of equitable subordination or similar assertions. Without limiting the generality of the foregoing, except as otherwise expressly provided in the Plans, in consideration of: (a) the promises of the Non-Debtor Interested Parties and Non-Debtor Defendant Participants under the Plan, including the establishment and funding of the Trusts; and (b) the undertakings of the Settling Insurers pursuant to their respective settlements with the Debtors, on the Effective Date, all Persons who have held, hold, or may hold Tort Claims, whether known or unknown, will be forever barred from pursuing such claims, whether such claims are based upon tort or contract or otherwise, that they heretofore, now or hereafter possess or may possess, against the Debtor Released Parties, including any such claims based upon or in any manner arising from or related to any acts or omissions of the Debtors or their members or devotees or any of the other Debtor Released Parties related to any sexual misconduct, physical or emotional abuse, or other acts committed by any devotee, member, employee or other person associated with ISKCON, or any religious schools operated by ISKCON, including, but not limited to, any volunteers; and further including, without limitation: (a) such claims for personal injuries, including emotional distress; (b) those claims against any Person against whom any claim, demand, proceeding, suit or cause of action based upon or in any manner arising from or relating to any of the matters enumerated or described herein, has been or may be asserted (including, without limitation, rights of indemnity, whether contractual or otherwise, contribution claims and subrogation claims); (c) those for damages, including punitive damages; (d) those for attorneys’ fees and other expenses, fees or costs; (e) those for possible economic loss or loss of consortium; (f) those for damage to reputation; and (g) those for any equitable remedy.

The foregoing provisions are an integral part of the Plan and are essential to its implementation. It is the intention of the parties granting the Releases provided for in the Plan, and of the parties receiving the Releases provided for in the Plan, that the Plan shall be effective as a full and final accord and satisfaction and release of each and every claim released in the Plan. In furtherance of this intention, the parties to the Releases, and each of them, acknowledge that they are familiar with Section 1542 of the Civil Code of the State of California, which provides as follows:

A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing a release, which, if known by him must have materially affected his settlement with the debtor.

The parties to the Releases provided for in this Article V, and each of them, hereby waive and relinquish all of the rights and benefits which any of them has, or may have, under Section 1542 of the Civil Code of the State of California (as well as any similar rights and benefits which they may have by virtue of any statute or rule of law in any other state or territory of the United States). The parties to the Releases provided for in this Plan, and each of them, hereby acknowledge that they may hereafter discover facts in addition to, or different from, those facts which they now know or believe to be true with respect to the subject matter of the Releases and the claims released thereunder, but that notwithstanding the foregoing, it is their intention hereby to fully, finally, completely and forever settle and release each, every and all of said claims, and that in furtherance of such intention, the Releases herein given shall be and remain in effect as full and complete general releases, notwithstanding the discovery or existence of any such additional or different facts.

Nothing in the release set forth herein shall preclude the Plaintiff Tort Claimants from pursuing any claims against one of the Debtor Released Parties who is a named defendant as of the Effective Date (excluding Does) in the Texas Court Action and is not a Debtor, Non-Debtor Defendant Participant, Non-Debtor Interested Party or Settling Insurer.

Nothing in the release set forth herein shall preclude the Tort Claimants from pursuing their rights against any insurance carrier which is not a Settling Insurer, subject, however, to the provisions of the Plans regarding disposition of Insurance Proceeds.

This Release is not intended to and shall not relieve the Insured Debtors and The Texas Krishnas Inc. from liability that may exist on account of any Tort Claims which are covered by a legally binding and enforceable insurance policy issued by an Insurance Carrier other than a Settling Insurer, or other company providing insurance to The Texas Krishnas Inc., under which such liability of Insured Debtors, or The Texas Krishnas Inc., if any, is covered. If, and to the extent, any Tort Claimant establishes such liability, such Tort Claimant shall look solely to the Insurance Carrier which is not a Settling Insurer, or other company providing insurance to The Texas Krishnas Inc., for payment of such claims or liability, and not the Insured Debtors and The Texas Krishnas Inc., personally, and this Release shall remain valid as a release of the Insured Debtors and The Texas Krishnas Inc. from such Tort Claims other than as to payment of coverage under such policies. The

foregoing shall not be construed to restrict the right of such Tort Claimant to receive distribution under the Plans to the extent such Tort Claimant is otherwise entitled to receive distributions from the Trusts under the Plans.

D. Exculpation.

The Debtors, Reorganized Debtors, Reorganization Trustee, Non-Debtor Defendant Participants and Non-Debtor Interested Parties, their affiliates, officers, partners, directors, employees, and other agents, financial advisors, attorneys and accountants, or any property of the foregoing persons or any direct or indirect transferee of any property of, or direct or indirect successor in interest to any of the foregoing persons, or any property of any such transferee or successor, shall have no liability to any Holder of a Claim or Interest for any act or omission in connection with or arising out of the administration of the Plan or the property to be distributed under the Plan, the Insurance Carrier Action, prosecution or settlement of any Claims against Coudert Brothers, the Claims Matrix, Claims estimation motions or resolution of any Claim, including, without limitation, any Tort Claim, except for willful misconduct or gross negligence and, in all respects, shall be entitled to rely upon the advice of counsel with respect to their duties and responsibilities under the Plan.

E. Revesting Of Property In The Debtor.

Except as otherwise provided in the Plan, the Confirmation of the Plan revests all of the property of the Estate, including all Rights of Action, in Reorganized ISKCON NMV free and clear of all claims, liens, encumbrances and interests, including those of Creditors.

VI.

MISCELLANEOUS PLAN PROVISIONS

A. Modification Of Plan.

The Plan Proponent may modify the Plan at any time before Confirmation. However, the Court may require a new disclosure statement and/or revoting on the Plan if the Plan Proponent modifies the Plan before Confirmation.

The Proponent of the Plan may also seek to modify the Plan at any time after confirmation so long as (1) the Plan has not been substantially consummated and (2) if the Court authorizes the proposed modifications after notice and a hearing.

B. Post-Confirmation Conversion/Dismissal.

A creditor or party in interest may not bring a motion to convert the case under § 1112(b), after the Plan is confirmed, even if there is a default in performing the Plans. The Court cannot order the case converted to Chapter 7 after this Plan is confirmed. In the event the Court orders the case dismissed after Confirmation pursuant to a default, then all property that had been property of the Chapter 11 estate, and that has not been disbursed pursuant to this Plan, will revest in the appropriate West Virginia Debtor. Notwithstanding the foregoing, any Holder of a Tort Claim, including, without limitation, those included within Classes 3, 4, 5, 5A, 6 and 7, shall have an interest in the Trusts, and any undisbursed proceeds of the Trusts, and not against the Debtors or Reorganized Debtors.

C. Final Decree.

Once the Estate of each of the West Virginia Debtors has been fully administered as referred to in Bankruptcy Rule 3022, the Plan Proponent, or other such party as the Court shall designate in the Confirmation Order, shall file a motion with the Court to obtain a final decree to close the case.

D. Post-Confirmation Business Operations and United States Trustee Fees.

Reorganized ISKCON NMV shall continue to operate its business free of supervision by the United States Trustee and shall no longer be required to file interim statements or operating reports but shall be obligated to pay fees pursuant to 28 U.S.C. Section 1930(a)(6) until the entry of a final decree closing this Chapter 11 cases.

E. Confirmation By Non-Acceptance.

The Debtors hereby request, if necessary, confirmation of the Plan pursuant to Bankruptcy Code § 1129(b) with respect to any impaired Class of Claims which does not vote to accept the Plan.

F. Unclaimed Property.

Until the expiration of the earlier of seven (7) years following the Effective Date or closing of the Trusts, unclaimed property shall be delivered upon presentation of proper proof by the Holder of a Claim of its entitlement thereto, after which time any Holder entitled to such unclaimed property shall cease to be entitled thereto. Thereafter, all right, title and interest therein shall vest in (a) Trust I if such was the source of the unclaimed distribution, and such unclaimed property shall be redistributed to the Holders of Claims participating as beneficiaries in such trust other than those Holders failing to claim the property distributed with respect to such Claim; (b) Trust II if such was the source of the unclaimed distribution, and such unclaimed property shall be redistributed to the Holders of Claims participating as beneficiaries of such trust other than those Holders failing to claim the property distributed with respect to such Claim; (c) Trust III if such was the source of the unclaimed distributions, and such unclaimed property shall be redistributed to the Holders of Claims participating as beneficiaries of such trust other than those Holders failing to claim the property distributed with respect to such Claim; or (d) Class 8 if such was the source of the unclaimed distribution, and such unclaimed property shall revert in the Reorganized Debtors. Any other unclaimed property shall revert in the Reorganized Debtors.

G. Rounding.

Whenever any payment of a fraction of a cent would otherwise be called for, the actual payment shall reflect a rounding of such fraction to the nearest whole cent, with one-half cent being rounded up to the nearest whole cent.

H. Payment Date.

Whenever any payment or distribution to be made under the Plan is due on a day other than a Business Day, such payment or distribution will instead be made on the next Business Day.
